

Achievers 2019

Certificate

Based on its financial performance,

Jurvan Jousi Oy

has been analysed as an Achiever in the achiever classification of Alma Talent Tietopalvelut. Companies receiving Achiever certification are stable businesses with solid growth, good financial results and profitability, a strong financial structure and liquidity to ensure continued operation.

A comparison of these key indicators has put this company in the top tier of its own industry and the entire country. The Achiever 2019 rankings are based on the financial years ended between June 2018 and May 2019.
